Congressman Rubey is one of the popular men who have ever represented the 16th district and he has many warm friends in Mansfield and vicinity who will be glad of this opportunity to meet him and to hear him speak. His work in behalf of his constituency has been without regard to politics and he is ever striving to work for what he considers the best interest of the district. His work in behalf of the old soldiers and their widows has won for him a warm place in the hearts of the people. "Ask Tom Rubey," has been a frequent answer to requests in various matters, and Mr. Rubey has never been so busy but that he has found time to give due attention to every request that has been made upon him. Remember his day here—Oct. 6.

Curfew Shall Ring Tonight

At a meeting of the city council Monday evening, Roe Strong was employed as night watch at \$30 per month, beginning Oct. 1. \$5 to be paid by the city and \$25 by popular subscription. There have been several recent robberies at night and it is partly on this account that a night watch was needed. Another reason was in order that the curfew law might be enforced. So, boys, and girls, too, don't be on the streets at night when you have no business there, because the night watch will get you if you don't watch out. Other matters were discussed, and bills were allowed.

HUGHES-LAMM CLUB

A Large and Enthusiastic Organization Formed Friday Evening

A Hughes Lamm Club was organized at a meeting held at the G. A. R. Hall Friday evening, attended by a good representation of citizens, whose enthusiasm for Republican success in nation, state and county was so contagious that the club has as members not only Republicans and Progressives but some Democrats as well. The club started with a membership, but thanks to a hustling membership committee the membership was more than doubled Saturday and the club now has about 200 members.
The following officers were elected by acclamation:
Joe H. Dennis, President.
W. B. Hitchcock, Vice-President.
W. A. Black, Secretary.
O. L. Robinson, Treasurer.
The following membership committee was appointed by the president: J. W. Brazel, S. J. White, J. A. Riley, C. A. Stephens.
Addresses were made by A. M. Curtis of Hartsville, G. C. Murrell of Hartsville, and J. Lon Dennis. A few remarks were also made by T. F. Lenhart and J. A. Riley. The latter also made a motion, which was unanimously adopted, that the secretary be instructed to write Secretary of State Cornelius Roach at Jefferson City to the effect that the club demanded that he place the proposed prohibition amendment to the constitution upon the ballot for the November election, a thing he says he will not do unless compelled to do so by a court decision.
It was also voted to confer with Chairman J. B. Swanger of the speakers' bureau, relative to securing speakers during the stock show and at other times during the campaign.
The next meeting will be held Friday night at the G. A. R. Hall. Out of town visitors were A. M. Curtis, G. C. Murrell, Bert Ellis and J. M. Crisp of Hartsville.
The first speaker for the 1916 campaign was Hon. J. Wesley Hill of New York, who spoke to a full house at the opera house Tuesday evening, under the auspices of the Hughes-Lamm Club. The Mansfield Concert Band furnished music for the occasion. Mr. Hill is a speaker of national reputation, and his remarks on this occasion were well received by his hearers. He has a clear insight into political affairs and expresses his views in a clear and able manner, and our people consider themselves fortunate in having had the privilege of listening to him. The speaker was introduced by A. M. Curtis of Hartsville.
